**Announcement**

**Date:** 8 July 2021

**Re:** Regarding Annual Profit Expectation

As a result of the fair value calculation of portfolio investments followed under the Financial Investments item of Tekfen Ventures LP, a Subsidiary of the Group, it is expected before the review that there will be an additional effect of approximately TRY150 million on the net profit to be incurred as of 6-month interim period of 2021, which is not in our annual guidance.
