

## **TEKFEN HOLDİNG A.Ş.**

### **Announcement**

**Date:** 20 April 2021

**Subject:** Investment planning process (information update)

**Re:** Our statements dated September 25, 2019 and April 10, 2020

Information on the preparatory works and developments on the subject regarding the polypropylene production facility which is planned to be built on the property of Toros Tarım Sanayi ve Ticaret A.Ş. (Toros Agri) in Mersin by CFS Petrokimya Sanayi A.Ş. (CFS Petrochemicals Industry, Inc.), whose shares are completely owned by one of our subsidiaries, Toros Agri, has been given in our related statements.

In the lawsuits filed with the request for the annulment of the affirmative decision regarding the Environmental Impact Assessment (“EIA”), dated March 10, 2020 and numbered 5835, taken regarding the Tekfen Polypropylene Production Facility Investment Project planned to be carried out in the Karaduvar Neighborhood of the Akdeniz District in Mersin Province, the 2<sup>nd</sup> Administrative Court in Mersin ruled for the annulment of the affirmative decision regarding the EIA. An appeal will be filed against the aforementioned decisions before the Council of State.
