

## **TEKFEN HOLDİNG A.Ş.**

### **Announcement**

**Date:** 28 May 2021

**Subject:** Investment planning process (information update)

**Re:** Our statements dated September 25, 2019, April 10, 2020 and April 20,2021.

Information on the preparatory works and developments on the subject regarding the polypropylene production facility which is planned to be built on the property of Toros Tarım Sanayi ve Ticaret A.Ş. (Toros Agri) in Mersin by CFS Petrokimya Sanayi A.Ş. whose shares are completely owned by one of our subsidiaries, Toros Agri, has been given in our related statements.

During the preliminary preparations of the project, for which final investment decision has not yet been made, most recently an appeal has been filed with the Council of State against the decision of the 2<sup>nd</sup> Administrative Court of Mersin which annulled the Positive EIA (Environmental Impact Assessment) decision as stated in our disclosure dated 20 April 2021, and it has therefore been decided to cease the project work since the EIA report has been rescinded.
